## *The Economics of Group Travel*

There are many opinions/conclusions on whether group travel is less expensive than individual travel but often in the comparison all the elements of the trip are not compared equally. Frequently when comparing just price, solo travel can win out. However it has been our experience when we pre-run or scout an upcoming tour, our actual costs for the pre-run are generally slightly more than what our price for that tour. Price however should not be the only determining factor when deciding if you want to book an escorted group tour. When you add all the time necessary to develop an itinerary, research and book all transportation, attractions, lodging, meals, specialized guides and then confirm each before departure, it can end up being a daunting undertaking. As with any financial decision search out **value**. At Bartlett Tours we are always focused on providing the best **value** for our guests. We not only develop the itinerary and make all the reservations for a trip, but also escort the tour ensuring a tour with minimum surprises. We hope you will review the trips in this brochure and find one you like.

TUACAHN, UTAH'S "Broadway in the Desert"

\$ 525

We are delaying this tour from early summer to very late summer hopefully avoiding the high temperatures we have recently experienced the past 3 years. We have locked in the dates and will be experiencing another two terrific performances. The first will be the classic musical *Sound of Music* which is based on the story of the Trapp Family. The second performance we will experience is Disney's *When You Wish* where over 71 years of your favorite Disney songs and characters come to life on stage in this musical spectacular. We saw this performance a few years ago and it stands out as one of the best performances we have ever seen at Tuacahn. We can be assured that the combination of the performances, the talent, and the beauty of the amphitheater in the Utah red rock canyon will make our experience wonderful. As we have done in the past, we'll stay two nights at the beautiful Casa Blanca Resort & Casino in Mesquite, NV, where you'll have time to relax, lounge by the pool, play the slots, visit the spa, and enjoy the property. We recommend you reserve early with \$25 per person deposit because this tour will sell out.

*Included: Luxury transportation, lodging, center-section seats at Tuacahn, 2 breakfasts, 1 lunch, and 2 dinners.*
